With the support of SA the wise leadership, the leadership is Saudi

#مجلس_الوزراء praised the agreements and releases of more than (10) billion riyals included in the CPHI International Pharmaceutical Exhibition held in Riyadh to localize gene therapies and support the production of biopharmaceuticals and vaccines in a way that enhances the Kingdom's global leadership in health innovation.

Innovation in the field of pharmaceutical industries comes at the forefront of the Kingdom's goals to enhance the health of the individual and society, in order to achieve the goals of the رؤية_السعودية_2030 and the health sector transformation program and access to leadership in the field of biotechnology.

Tanoul Launches CPHI Middle East As Region's Premier Pharma Event

RIYADH, RIYADH SAUDI ARABIA, November 11, 2024 (PHE) – Riyadh-based Tanoul has announced the launch of CPHI Middle East, a premier pharmaceutical event, as the Middle East and the Middle East region's first comprehensive pharmaceutical event. The event is set to take place at the Riyadh International Convention and Exhibition Center (RICEC) from December 11 to 13, 2024. The event is organized by Tanoul, a leading pharmaceutical event organizer in the Middle East, and is expected to attract over 1,000 exhibitors and 10,000 visitors. The event will feature a wide range of pharmaceutical products, services, and technologies, as well as a series of seminars, workshops, and networking opportunities. Tanoul's CEO, Mr. Tarek Al-Sayid, stated that the launch of CPHI Middle East is a significant milestone for the pharmaceutical industry in the region, and that the event will provide a unique opportunity for industry professionals to connect, collaborate, and drive innovation. The event is also expected to generate significant economic activity for the region, with an estimated total value of over \$100 million. Tanoul is a leading pharmaceutical event organizer in the Middle East, having organized several successful events in the past, including CPHI Saudi Arabia and CPHI Egypt. The company is committed to providing high-quality, innovative pharmaceutical events that drive the growth and development of the industry.
