CPHI Middle East & Saudi Vision 2030

CPHI Middle East plays a crucial role in supporting Saudi Arabia's Vision 2030 by providing a platform for industry growth, collaboration, and visibility. Here's how:

- 1** Attracting Global & Regional Investments
- 2** Promoting Localization & Manufacturing Growth
- 3** Facilitating R&D & Innovation Collaborations
- 4** Increasing Brand Visibility & Business Opportunities
- 5** Strengthening Saudi's Pharma Supply Chain

Why Our Sponsors Invest with CPHI Middle East

- ✓ Access a fast-growing pharmaceutical market.
- ✓ Gain unparalleled brand visibility.
- ✓ Generate qualified leads through targeted networking.
- ✓ Establish thought leadership in a competitive landscape.
- ✓ Enjoy long-term business impact beyond the event.

Before & After Sponsorship Scenarios: Addressing Key Marketing Objectives

1

Lead Generation

Before Sponsorship:

A pharmaceutical packaging company wants to enter the Middle East market but struggles to generate quality leads. Their sales team relies on cold outreach and scattered online inquiries, leading to slow and inefficient conversions.

After Sponsorship:

By sponsoring a **Hosted Buyers Lounge + Digital Lead Scanning + Webinar**, the company gains direct access to pre-qualified buyers. Now, instead of chasing leads, they're engaging in scheduled one-on-one meetings, capturing high-intent contacts, and receiving post-event lead reports.

Additional Sponsorship Solutions:

- * **Branded Networking Zones** – Position your brand where high-value conversations happen.
- * **Lead Retrieval Tech** – Capture attendee data seamlessly at your booth or sponsored sessions.
- * **Industry Roundtable Sponsor** – Exclusive discussions with senior decision-makers, generating highly targeted leads.

Before & After Sponsorship Scenarios: Addressing Key Marketing Objectives

2

Brand Awareness

Before Sponsorship:

A generic drug manufacturer exhibits at CPHI Middle East but struggles to stand out in a crowded exhibition hall. Despite having an innovative product, they lack high-visibility brand exposure.

After Sponsorship:

By investing in **Outdoor Building Wraps + Entrance Arch Branding + Floor Graphics**, their brand becomes unmissable from the moment attendees arrive. Attendees immediately recognize their company, increasing booth visits and conversations.

Additional Sponsorship Solutions:

- ❖ **Lanyard or Badge Sponsorship** – Every attendee carries your brand all day.
- ❖ **Hanging Banners & Digital Signage** – Eye-level and high-impact visibility in key footfall areas.
- ❖ **Mobile App or WiFi Sponsorship** – Attach your brand to essential event touchpoints.

Before & After Sponsorship Scenarios: Addressing Key Marketing Objectives

3

Thought Leadership

Before Sponsorship:

A biotech firm wants to position itself as a leader in personalized medicine but struggles to get industry attention. Their innovations are groundbreaking, but they lack the right platform to influence decision-makers.

After Sponsorship:

By sponsoring a **Keynote Speaking Slot + Exclusive Whitepaper Distribution + a Hosted Leadership Dinner**, they take center stage in critical industry conversations. Now, their insights drive industry trends, and top executives seek them out for collaborations.

Additional Sponsorship Solutions:

- ❖ **Panel Discussion Sponsorship** – Share the stage with key regulators & industry leaders.
- ❖ **Content Hub Sponsor** – Feature expert articles, research, and case studies pre- and post-event.
- ❖ **Product Showcase Sponsorship** – Exclusive demo slots in the Innovation Zone.

Before & After Sponsorship Scenarios: Addressing Key Marketing Objectives

4

Networking & Relationship Building

Before Sponsorship:

A clinical research organization wants to strengthen relationships with pharmaceutical executives but finds it difficult to secure meetings during the event. Their team attends networking sessions but lacks structured opportunities for deep engagement.

After Sponsorship:

By sponsoring an **Exclusive CEO Networking Lounge + VIP Dinner + Private Meeting Pods**, they control the environment where key decision-makers gather. Instead of chasing meetings, they host intimate, high-impact conversations that drive long-term partnerships.

Additional Sponsorship Solutions:

- ✦ **Hosted Buyer Programs** – Pre-arranged 1:1 meetings with qualified leads.
- ✦ **Breakfast Seminar or Gala Dinner Sponsorship** – Position your brand at the most social & high-level gatherings.
